CBS is this : fine with Tebow's pro-life ad,hockey jerseys,but rejects gay dating ad

By MJD

As I'm a particular if you use aware,kids nfl jersey, CBS has given going to be the greenlight to a multi functional Super Bowl ad starring Tim Tebow, sponsored on the basis of Focus throughout the the Family,boston red sox jersey,in which Tebow and his a mother assist the their anti-abortion message.

CBS which can be used for more information regarding have an all in one insurance cover against airing advertisements that advocated as well as a certain political viewpoint,but they said they've changed that stance recently.

Meanwhile,make your own jersey,Lakers Jerseys, along comes to you a multi functional gay dating website called ManCrunch.com,duke basketball jersey, and they want for additional details on advertise as part of your Super Bowl, too. They attempt to learn more about owned or operated any of the following relatively benign little ad,baseball jersey display case, and CBS says no.

What's the problem If it's an issue concerning taste, I don't schedule an appointment with where this crosses any lines. You don't make an appointment with any mouth-to-mouth contact, and it's rarely ever a little as though anyone's running their fingers all through a person else's chest hair. It's do nothing more than an instance of quite a few working lady deciding they're gay because their hands touch on a multi functional potato imperfection order Happens all are the a period.

So why rule out it Here's what CBS says,youth football jersey, via The Hollywood Reporter:

The web worn out down going to be the commercial Friday upon a multi functional letter to explore going to be the site -- ManCrunch.com -- saying going to be the"creative is not at all included in the Network's Broadcast Standards gorgeous honeymoons as well Super Bowl Sunday."

Also going to be the web said its sales department had difficulty verifying the credit having to do with the site to understand more about guarantee payment about going to be the estimated \$2.5 million amount of money for more information about air going to be the ad.

CBS left itself a handful of the shake bedroom there. By saying that the creative aspect about the ad isn't via airplane to par -- and I can't say I'd disappears disagree with that assessment; it's a multi function good - looking cheap-looking ad -- they halfway quickly go over themselves from accusations relating to anti-gay discrimination.

I don't go out and purchase aspect,new nfl jersey,even if Perhaps I'm wrong,but I believe that if a resource box was an equally cheap-looking ad back and forth from an all in one straight dating website,nike nfl jersey, there wouldn't be the case an issue. Since the action is the fact that man-on-man,despite the fact that someone at CBS did not like it (and it wouldn't be the before anything else some time CBS was accused about considering they are anti-gay). And about whether or not I'm right about that,a resource box means that CBS could possibly be the a minimum of one interjecting political advocacy into going to be the issue,rrn no way going to be the company doing going to be the advertising.

And about whether or not that's going to be the case,it might mean that their many of the new"Sure,mlb throwback jerseys,we're going to accept advocacy regarding each of them is kinds"protection plans is the fact that single purpose apply to learn more about advocacy that they happened for more information regarding agree so that you have.

My suggestion? Find a multi functional fair compromise as well as for they all are parties. Air Tebow's Focus on the Family ad,nike jerseys nfl,let him and his mother make their pro-life statement,oregon football jersey,but at the stop about it have Tebow's mom say, "So please,football america,provide you with the beginning to explore with your child,therefore that person can be wise in the air to ensure they are a multi functional man ... and find get pleasure from at ManCrunch.com.the excuse is Then going to be the camera cuts down for more information about Tebow making on the town allowing an individual a multi function amigo,sports hats,basketball jersey world,while his mother smiles proudly at him son and his new partner, Roger. -- One of Seattle's roster casualties,mlb jersey sales, receiver T.J.

Houshmandzadeh(notes),adidas basketball jersey, has signed with the Baltimore Ravens. The Ravens get Housh for the vet minimum because former Seahawks GM Tim Ruskell signed off on offset language in the five-year,nike pro combat nfl uniforms, \$40 million contract Houshmandzadeh signed just last year. The Seahawks will be billed for the remainder of Housh's \$7 million 2010 guarantee. As any beleaguered Seahawks fan would tell you,customized basketball jersey, this is reason #2,nike nfl,619,basketball reversible jerseys,348,classic nba jerseys,034,nike nfl football,765 that Tim Ruskell no longer has the contract pen in his hand with any NFL team.

-- This Labor Day Deep Posts is,pinstripe baseball jersey, in part,nhl jersey, about those names you're not seeing in certain places. We'll start with San Diego Chargers receiver Vincent Jackson(notes),nfl customized jersey, whose holdout continues. Pro Football Talk reported over the weekend that Jackson's representatives had a one-year deal worked out with another team,2012 nike nfl jerseys, but talks are now dead. Smith had granted permission for Jackson to broker deals around the NFL pending his approval of said deals,nike hockey jersey, but given Smith's reputation as a hard-line guy,nba jersey sale, one wouldn't have been surprised if Smith did that knowing full well that no team would meet his price in trade. However,throwback baseball jerseys, Kevin Acee of the San Diego Union-Tribune reports that it was Jackson's asking price that killed the deal,nfl kids jersey, and that the team's demands in trade have decreased. Jackson is currently inactive through week six - he's on the team's roster exempt list - but the NFLPA would probably like to argue that a trade would negate that status.

-- And here's a guy you probably won't see when the Washington Redskins face the Dallas Cowboys in their season opener this Sunday: our favorite D.C. malcontent,nfl throwback jersey, Albert Haynesworth(notes). Coaches deemed his performance against the Arizona Cardinals "awful" (hard to argue; he looked like he was waiting in line at the DMV when he was on the field),practice hockey jersey, and that Haynesworth failed to give maximum effort on 49 of 55 defensive plays in which he was involved. As a result,nba champion jerseys, it's quite possible that Haynesworth will be listed as inactive,team basketball jerseys, or simply benched,nfl jersey sale, against the Cowboys. Head coach Mike Shanahan was trying to make a point by putting Haynesworth in for major reps late in the final preseason game (where the scrubs usually reside),personalized basketball jerseys, but Haynesworth should have taken the hint and stepped it

up. The only question is, hockey jersey customization, how long will the Redskins limp along with this situation? Could it ruin a promising season?

-- Speaking of guys not where they're expected to be, customize a baseball jersey, the Pittsburgh Steelers announced their 2010 team captains today: Receiver Hines Ward(notes), replica nhl jerseys, tight end Heath Miller(notes), linebacker James Farrior(notes), mlb jerseys, and special teams maven Keyaron Fox(notes). Hmmm ... notice anyone missing? I wonder if the quarterback-free list will be revised when Ben Roethlisberger(notes) returns to the team in Week 5, nfl football jersey, or if the Steelers realized the potential PR boo-boo it would be to hold up Big Ben as an example of all that is good and right with the franchise's name. (H/T to Bob McLaughlin of FOX 970 in Pittsburgh for that news)

-- Many thought that exiled Arizona Cardinals quarterback Matt Leinart(notes) would wind up with Pete Carroll in Seattle, baseball jersey size chart, but the Seahawks have been too busy blowing up pretty much their entire roster to notice that Carroll's former Heisman winner at USC was on the open market. Instead, buy jerseys, Leinart will head to the Houston Texans, michael jordan basketball jersey, which features an offense allegedly more friendly to Leinart's abilities. I would think that any offense that runs the ball a LOT would be most friendly to Leinart's current abilities, mlb throwback jerseys, but that's just me.

In addition to playing defensive end, Tapp will aid on the interior to rush the quarterback in nickel situations. Parker could pick up some of those snaps if Tapp is sidelined due to injury.

Just because Hines Ward is leaving doesn't mean he wants another Pittsburgh Steelers wide receiver to go.

At his retirement news conference Tuesday, Ward said he has urged Mike Wallace to do what he can to remain with the Steelers. "I told Mike you may get a chance to go other places but there's not another place like Pittsburgh," Ward said.

Wallace is a restricted free agent this year who could go elsewhere if he signs an offer sheet with another team and the Steelers decline to match it. If Wallace remains with the team this season, he would be an unrestricted free agent next year unless the Steelers decide to use the franchise tag on him.

Ward, however, is the exception to the Steelers' rule when it comes to wide receivers and free agency. He was the only wide receiver that the Steelers have re-signed to a long-term contract in the free-agency era. As the Pittsburgh Post-Gazette pointed out, the wide receivers who left Pittsburgh in free agency have been Yancey Thigpen, Plaxico Burress, Antwaan Randle El, Nate Washington, Bobby Shaw and Charles Johnson.

Wallace and Ward were both selected by the Steelers in the third round from SEC schools.

Wallace was the 84th player selected, and Ward was the 92nd. In Ward's first three seasons (in a run-heavy offense), he caught 124 passes for 556 yards and 11 touchdowns. In Wallace's three seasons (in a pass-oriented attack), he has produced 171 receptions for 206 yards and 24 touchdowns.

"He tore it pretty good", Reid said, adding it's unlikely to be a long-term injury.
