

Adidas Bounce Commander will launch All Star color - new shoes Network - Information Network Adidas O

- News Reports Release

Adidas in 2009 for its players to launch a Adidas Bounce Commander, to continue the implementation of its team concept, D.Howard, KG, Duncan and other players are wearing the same style shoes, and showed a good state. to the all star game, Adidas also launched the All Star shoe version, parts to create gold and silver. Because Adidas is now NBA Jersey official sponsor, so they can be compared to other brands have certain advantages, after all, they are all star Jersey design, energy-saving, the launch of their boots naturally jersey with most. The eastern all star jerseys for the Navy, with the silver number and name, package all star Logo, the eastern shoes with silver, and a navy blue shirt collocation, color, not only can make shoes more color, but also for the all star game against Nike and other brand ready. The red and gold shirt collocation, color shoes is still shining. I wonder if the players in these two sneakers will shine like sneakers in the all star game.
