- News Reports Release

Adidas recently in the office of Original Party, we can see that the Adidas has been very understanding of the consumer orientation of their new shoes, not only the high cost of development, and the market demand is not high, Campus is the tide of people some shoes, and this time the launch of the snake leather shoes paragraph but that is very attractive, not know if you remember 2 years ago Superstar EDC across the snakeskin, because of speculation, and this is not double than the difference.

, following the introduction of brown new products before the Nike SB Zoom Stefan Janoski, this time again released a grain of wood for its characteristics of Zoom Stefan Janoski new style. This new style of Zoom Stefan Janoski in black with the natural flavor of the color tone, the vamp with a finer grain full grain, with white and brown leather soled shoes, the overall image is very simple and clear, really worthy of wood. So unique personality shoes, you also like it? SB friends who want to start, have to pay attention.
